\*\*RMHS' reimbursement from funders can range greatly depending on CPT codes and contracts with funders. Regardless of funding source or reimbursement, Contractors are usually paid \$90 per hour. In most cases, this results in a billing fee between 0% and 27%. The most frequently utilized fee is 12%. In the event RMHS is paid less than \$90 per hour there is no billing fee passed onto the Contractor. RMHS reserves the right to change such percentages and rates and shall provide notice to the Contractor of such a change.
