AGREEMENT

THIS AGREEMENT is made between the CITY AND COUNTY OF DENVER, a municipal corporation of the State of Colorado, ("Denver"), for itself and on behalf of the Department of Human Services ("Denver DHS", and together with Denver, "the City"), and ROCKY MOUNTAIN HUMAN SERVICES, a not-for-profit corporation licensed and authorized to do business in the State of Colorado, whose address is 9900 East Iliff Avenue, Denver, Colorado 80231 (the "Contractor" or “RMHS”), collectively “the Parties.”

RECITALS:

1. Subject to annual appropriations by the Colorado General Assembly, the Colorado Department of Health Care Policy and Financing ("CO-HCPF"), pursuant to Colo. Rev. Stat. §§ 25.5-10-201, et seq., provides funds to community centered boards to provide or purchase authorized services and supports for individuals with intellectual and developmental disabilities.

2. The Contractor has been designated by CO-HCPF as the Community Centered Board for the City and County of Denver ("Denver CCB"). As the Denver CCB, Contractor receives federal and state funds annually under an agreement with the State of Colorado, as amended, (the “Contractor’s State CCB Contract”) to provide or purchase authorized services and supports to individuals with intellectual and developmental disabilities.

Section 53-550 authorizes a mill levy for the purchase of services for individuals with intellectual and developmental disabilities, designates the permitted uses of the funds, establishes a residency requirement for beneficiaries of the revenue, limits administrative and overhead costs, and requires an annual report from the Denver CCB to the city council.

5. In accordance with §§ 53-550(b)(1) and (c), D.R.M.C., and as set forth in this Agreement, the City desires to obtain, during the Term, additional services and supports from the Contractor, acting as the Denver CCB, for children and adults with intellectual and developmental disabilities who are residents of Denver.

If the identified irregularities or deficiencies cannot be corrected by the date designated by the City, then Contractor shall so notify the City in writing and shall identify a date that Contractor expects to correct the irregularities or deficiencies; provided, however, that the irregularities or deficiencies shall be corrected no later than ninety (90) days from the date of the City’s notice.

12. PROCUREMENT: The Contractor shall spend funds provided under this Agreement in a way that serves the public interest, honors the public trust, and is consistent with Exhibit A. “Supplies” means all tangible personal property other than Equipment as defined below. “Equipment” means tangible personal property having a useful life of more than one year and an acquisition cost of Five Thousand Dollars ($5,000.00) or more per unit. “Controlled Assets” means tangible personal property having an initial acquisition cost of no less than Five Hundred Dollars ($500.00) and no more than Four Thousand Nine Hundred Ninety Nine Dollars and Ninety Nine Cents ($4,999.99) and tangible personal property that fall in the following categories: computers, laptops, scanners, facsimile machines, copiers, printers, and capital leases with a present value of no less than Two Thousand Five Hundred Dollars ($2,500.00) and no more than Four Thousand Nine Hundred Ninety Nine Dollars and Ninety Nine Cents ($4,999.99).

The Contractor shall use funds provided under this Contract solely for the purposes of effectuating the purposes of City Law as this Agreement contemplates and as set forth in Exhibit A. If requested by the Executive Director or the Executive Director’s representative, Contractor shall establish and submit to the Executive Director an inventory list, in such format as designated by the Executive Director and within thirty days of said request, of all Equipment and Controlled Assets purchased under this Agreement. Contractor shall update said inventory list as necessary on a timely basis. The inventory shall specify the location of all Equipment and Controlled Assets purchased to supply the Services. Upon the expiration or earlier termination of this Agreement, unless the Agreement is extended by a written amendment executed by the Parties in the same manner as this Agreement, all Equipment and Controlled Assets purchased to supply the Services shall either be returned to the City or disposed of as the City shall direct. The Contractor shall not co-mingle City Funds with funds from other sources to purchase Equipment and Controlled Assets under this Agreement.

13. LAWSUITS: If the Contractor is served with a pleading or other document in connection with an official action before a court or other administrative decision making body, and such pleading or document relates to this Agreement or may affect the Contractor’s ability to perform its obligations under this Agreement, the Contractor shall, within 7 days after being served, notify the City of such action and deliver copies of such pleading or document to the Executive Director. The Contractor shall not use funds provided under this Agreement to pay for any of its legal fees, costs, or expenses incurred as a result of such legal action or proceeding initiated by or brought against the Contractor (including, but not limited to, administrative actions or proceedings by a governmental entity).
14. **WHEN RIGHTS AND REMEDIES NOT WAIVED:** In no event will any payment or other action by the City constitute or be construed to be a waiver by the City of any breach of covenant or default that may then exist on the part of the Contractor. No payment, other action, or inaction by the City when any breach or default exists will impair or prejudice any right or remedy available to it with respect to any breach or default. No assent, expressed or implied, to any breach of any term of the Agreement constitutes a waiver of any other breach.

15. **INSURANCE:**

A. **General Conditions:** Contractor agrees to secure, at or before the time of execution of this Agreement, the following insurance covering all operations, goods or services provided pursuant to this Agreement. Contractor shall keep the required insurance coverage in force at all times during the term of the Agreement, or any extension thereof, during any warranty period, and for three (3) years after termination of the Agreement. The required insurance shall be underwritten by an insurer licensed or authorized to do business in Colorado and rated by A.M. Best Company as “A” VIII or better. Each policy shall contain a valid provision or endorsement requiring notification to the City in the event any of the required policies be canceled or non-renewed before the expiration date thereof. Such written notice shall be sent to the Parties identified in the Notices section of this Agreement. Such notice shall reference the City contract number listed on the signature page of this Agreement. Said notice shall be sent thirty (30) days prior to such cancellation or non-renewal unless due to non-payment of premiums for which notice shall be sent ten (10) days prior. If such written notice is unavailable from the insurer, contractor shall provide written notice of cancellation, non-renewal and any reduction in coverage to the Parties identified in the Notices section by certified mail, return receipt requested within three (3) business days of such notice by its insurer(s) and referencing the City’s contract number. If any policy is in excess of a deductible or self-insured retention, the City must be notified by the Contractor. Contractor shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of the Contractor. The Contractor shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Agreement.

B. **Proof of Insurance:** Contractor shall provide a copy of this Agreement to its insurance agent or broker. Contractor may not commence services or work relating to the Agreement prior to placement of coverage. Contractor certifies that the certificate of insurance attached as Exhibit B, preferably an ACORD certificate, complies with all insurance requirements of this Agreement. The City requests that the City’s contract number be referenced on the Certificate. The City’s acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of Contractor’s breach of this Agreement or of any of the City’s rights or remedies under this Agreement. The City’s Risk Management Office may require additional proof of insurance, including but not limited to policies and endorsements.

C. **Additional Insureds:** For Commercial General Liability and Auto Liability, Contractor and subcontractor’s insurer(s) shall name the City and County of Denver, its elected and appointed officials, employees and volunteers as additional insured.

D. **Waiver of Subrogation:** For all coverages, Contractor’s insurer shall waive subrogation rights against the City.

E. **Subcontractors and Subconsultants:** Except for Commercial Crime coverage or as otherwise permitted in writing by Denver DHS and the City’s Risk Management Unit, all subcontractors and subconsultants (including independent contractors, suppliers or other entities providing goods or services required by this Agreement) shall be subject to all of the requirements herein and shall procure and maintain the same coverages required of the Contractor. Contractor shall include all such subcontractors as additional insured under its policies (with the exception of Workers’ Compensation) or shall ensure that all such subcontractors and subconsultants maintain the required coverages. Contractor agrees to provide proof of insurance for all such subcontractors and subconsultants upon request by the City.

F. **Workers’ Compensation/Employer’s Liability Insurance:** Contractor shall maintain the coverage as required by statute for each work location and shall maintain Employer’s Liability insurance with limits of $100,000 per occurrence for each bodily injury claim, $100,000 per occurrence for each bodily injury caused by disease claim, and $500,000 aggregate for all bodily injuries caused by disease claims. Contractor expressly represents to the City, as a material representation upon which the City is relying in entering into this Agreement, that none of the Contractor’s officers or employees who may be eligible under any statute or law to reject Workers’ Compensation Insurance shall effect such rejection during any part of the term of this Agreement, and that any such rejections previously effected, have been revoked as of the date Contractor executes this Agreement.

G. **Commercial General Liability:** Contractor shall maintain a Commercial General Liability insurance policy with limits of $1,000,000 for each occurrence, $1,000,000 for each personal and advertising injury claim, $2,000,000 products and completed operations aggregate, and $2,000,000 policy aggregate.

H. **Business Automobile Liability:** Contractor shall maintain Business Automobile Liability with limits of $1,000,000 combined single limit applicable to all owned, hired and non-owned vehicles used in performing services under this Agreement.

I. **Professional Liability (Errors & Omissions):** Contractor shall maintain limits of $1,000,000 per claim and $1,000,000 policy aggregate limit. Policy shall include a provision that coverage is primary and non-contributory with any other coverage or self-insurance maintained by the City.

J. **Commercial Crime (Fidelity):** Contractor shall maintain a Comprehensive Crime Liability with limits of $1,000,000 for employee dishonesty, $500,000 for theft, and $250,000 for depositors’ forgery. Coverage shall include theft of City’s money, securities or valuable property by contractor’s employees, including any extended definition of employee. The City and County of Denver shall be named as Loss Payee as its interest may appear.
K. Additional Provisions:

1. For Commercial General Liability and Excess Liability, the policies must provide the following:
   a. That this Agreement is an Insured Contract under the policy;
   b. Defense costs are in excess of policy limits;
   c. A severability of interests or separation of insureds provision (no insured vs. insured exclusion);
   d. A provision that coverage is primary and non-contributory with other coverage or self-insurance maintained by the City; and
   e. No exclusion for sexual abuse, molestation or sexual misconduct.

2. For claims-made coverage:
   a. The retroactive date must be on or before the contract date or the first date when any goods or services were provided to the City, whichever is earlier.
   b. Contractor shall advise the City in the event any general aggregate or other aggregate limits are reduced below the required per occurrence limits. At their own expense, and where such general aggregate or other aggregate limits have been reduced below the required per occurrence limit, the Contractor will procure such per occurrence limits and furnish a new certificate of insurance showing such coverage is in force.

16. DEFENSE AND INDEMNIFICATION:

A. Contractor hereby agrees to defend, indemnify, reimburse and hold harmless City, its appointed and elected officials, agents and employees ("City Indemnites") for, from and against all liabilities, claims, judgments, suits or demands for damages to persons or property arising out of, resulting from, or relating to the work performed under this Agreement or the Services ("Claims"), unless such Claims have been specifically determined by the trier of fact to be the sole negligence or willful misconduct of the City. This indemnity shall be interpreted in the broadest possible manner to indemnify City for any acts or omissions of Contractor or its subcontractors either passive or active, irrespective of fault, including City’s concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of City.

B. Contractor's duty to defend and indemnify the City and City Indemnites shall arise at the time written notice of the Claim is first provided to City regardless of whether Claimant has filed suit on the Claim. Contractor's duty to defend and indemnify the City and City Indemnites shall arise even if City or a City Indemnitee is the only party sued by claimant and/or claimant alleges that City’s negligence or willful misconduct was the sole cause of claimant’s damages.

City Al fresco No. SOCSV-201841930-00
C. Contractor will defend any and all Claims which may be brought or threatened against the City and City Indemnitees and will pay on behalf of City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of City shall be in addition to any other legal remedies available to City and shall not be considered the City’s or City Indemnitees’ exclusive remedy.

D. Insurance coverage requirements specified in this Agreement shall in no way lessen or limit the liability of the Contractor under the terms of this indemnification obligation. The Contractor shall obtain, at its own expense, any additional insurance that it deems necessary for the City’s protection.

E. This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

17. **GOVERNMENTAL IMMUNITY:** Notwithstanding any other provision of this Agreement to the contrary, no term of condition of this Agreement shall be construed or interpreted as a waiver of any provision of the Colorado Governmental Immunity Act, C.R.S., 24-10-101 et seq., as now or hereafter amended. It is acknowledged that any liability for claims for injuries to persons or property arising out of the negligence of the City, its departments, agencies, officials and employees, is controlled and limited by the provisions of the Colorado Governmental Immunity Act as now or hereafter amended and other applicable laws.

18. **TAXES, CHARGES AND PENALTIES:** The City is not liable for the payment of taxes, late charges or penalties of any nature, except for any additional amounts that the City may be required to pay under the City’s prompt payment ordinance § 20-107, et seq. of the Denver Revised Municipal Code (D.R.M.C.). The Contractor shall promptly pay when due, all taxes, excises, license fees and permit fees of whatever nature applicable to its operations, and to take out and keep current all required licenses or permits, whether municipal, state or federal, required for the conduct of its business hereunder, and further agrees not to permit any of said taxes, excises or license or permit fees to become delinquent. The Contractor further agrees to furnish the City, upon request, duplicate receipts or other satisfactory evidence showing the prompt payment by Contractor of all required licenses and permits and all taxes. The Contractor further agrees to pay promptly when due all bills, debts and obligations it incurs performing the services under the Agreement and shall not allow any lien, mortgage, judgment or execution to be filed against City property.

19. **ASSIGNMENT; SUBCONTRACTING:** The Contractor shall not voluntarily or involuntarily assign any of its rights or obligations, or subcontract its performance obligations, under this Agreement without obtaining the Executive Director’s prior written consent; however, Contractor may subcontract the Services as specified in Exhibit A without the prior written approval of Denver DHS. Any assignment or unauthorized subcontracting without such consent will be ineffective and void, and shall be cause for termination of this Agreement by the City. The Executive Director has sole and absolute discretion whether to consent to any assignment or subcontracting, or to terminate the Agreement because of unauthorized assignment or subcontracting. In the event of any subcontracting or unauthorized assignment: (i) the Contractor

the City and any sub-consultant, subcontractor or assign.

21. **NO THIRD-PARTY BENEFICIARY:** Enforcement of the terms of the 
Agreement and all rights of action relating to enforcement are strictly reserved to the Parties.

or entity. Any person or entity other than the City or the Contractor receiving services or benefits 
pursuant to the Agreement is an incidental beneficiary only.

22. **NO AUTHORITY TO BIND CITY TO CONTRACTS:** The Contractor lacks 
any authority to bind the City on any contractual matters. Final approval of all contractual matters 
that purport to obligate the City must be executed by the City in accordance with the City’s Charter 

23. **AGREEMENT AS COMPLETE INTEGRATION-AMENDMENTS:** This 
Agreement is the complete integration of all understandings between the Parties as to the subject 
matter of the Agreement. No prior or contemporaneous addition, deletion, or other amendment 
hereto shall have any force or effect whatsoever, unless embodied herein in writing. No 
subsequent novation, renewal, addition, deletion, or other amendment hereto shall have any force 
or effect unless embodied in a written amendatory or other Agreement properly executed by the 
Parties. No oral representation by any officer or employee of the City at variance with the terms 
and conditions of this Agreement or any written amendment to this Agreement shall have any force 
or effect nor bind the City. Amendments to this Agreement will become effective when approved 
by both Parties and executed in the same manner as this Agreement. This Agreement and any 
amendments shall be binding upon the Parties, their successors and assigns.

24. **SEVERABILITY:** Except for the provisions of the Agreement requiring 
appropriation of funds and limiting the total amount payable by the City, if a court of competent 
jurisdiction finds any provision of the Agreement or any portion of it to be invalid, illegal, or 
enforceable, the validity of the remaining portions or provisions will not be affected, if the intent 
of the Parties can be fulfilled.

25. **CONFLICT OF INTEREST:**

   A. No employee of the City shall have any personal or beneficial interest in the 
services or property described in the Agreement. The Contractor shall not hire, or contract for 
services with, any employee or officer of the City that would be in violation of the City’s Code of

   B. The Contractor shall not engage in any transaction, activity or conduct that 
would result in a conflict of interest under the Agreement. The Contractor represents that it has 
disclosed any and all current or potential conflicts of interest. A conflict of interest shall include
transactions, activities or conduct that would affect the judgment, actions or work of the Contractor by placing the Contractor's own interests, or the interests of any party with whom the Contractor has a contractual arrangement, in conflict with those of the City. The City, in its sole discretion, will determine the existence of a conflict of interest and may terminate the Agreement in the event it determines a conflict exists, after it has given the Contractor written notice describing the conflict.

26. **NOTICES:** All notices required by the terms of the Agreement must be hand delivered, sent by overnight courier service, mailed by certified mail, return receipt requested, or mailed via United States mail, postage prepaid, if to Contractor at the address first above written, and if to the City at:

   B. The Contractor certifies that:

      1. At the time of its execution of this Agreement, it does not knowingly employ or contract with an illegal alien who will perform work under this Agreement.

      2. It will participate in the E-Verify Program, as defined in § 8-17.5-101(3.7), C.R.S., to confirm the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement.

      3. It has confirmed the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement, through participation in the E-Verify Program.

5. If it obtains actual knowledge that a sub-consultant or subcontractor performing work under the Agreement knowingly employs or contracts with an illegal alien, it will notify such sub-consultant or subcontractor and the City within three (3) days. The Contractor will also then terminate such sub-consultant or subcontractor if within three (3) days after such notice the sub-consultant or subcontractor does not stop employing or contracting with the illegal alien, unless during such three-day period the sub-consultant or subcontractor provides information to establish that the sub-consultant or subcontractor has not knowingly employed or contracted with an illegal alien.

6. It will comply with any reasonable request made in the course of an investigation by the Colorado Department of Labor and Employment under authority of § 8-17.5-102(5), C.R.S., or the City Auditor, under authority of D.R.M.C. 20-90.3.

D. The Contractor is liable for any violations as provided in the Certification Ordinance. If Contractor violates any provision of this section or the Certification Ordinance, the City may terminate this Agreement for a breach of the Agreement. If the Agreement is so terminated, the Contractor shall be liable for actual and consequential damages to the City. Any such termination of a contract due to a violation of this section or the Certification Ordinance may also, at the discretion of the City, constitute grounds for disqualifying Contractor from submitting bids or proposals for future contracts with the City.

31. **NO DISCRIMINATION IN EMPLOYMENT:** In connection with the performance of work under the Agreement, the Contractor may not refuse to hire, discharge, promote or demote, or discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, gender, age, military status, sexual orientation, gender expression or gender identity, marital status, or physical or mental disability. Contractor agrees that all proprietary information and confidential information or any other data or information provided or otherwise disclosed by the City to Contractor will be held in confidence and used only in the performance of its obligations under this Agreement. Contractor will exercise the same standard of care to protect such proprietary information and confidential information as a reasonably prudent contractor would to protect its own proprietary or confidential data. For purposes of this Section 33, the City's proprietary information and confidential information will include, without limitation, all information that would not be subject to disclosure pursuant to the Colorado Open Records Act or Denver ordinance, and provided or made available to Contractor by the City. Such proprietary information and confidential information may be in hardcopy, printed, digital, electronic, or other format.

B. **Use and Protection of Proprietary Information and Confidential Information**:

1. Except as expressly provided by the terms of this Agreement, Contractor agrees that it will not disseminate, transmit, license, sublicense, assign, lease, release, publish, post on the internet, transfer, sell, permit access to, distribute, allow interactive rights to, or otherwise make available any proprietary or confidential information or any part thereof to any other person, party, or entity in any form of media for any purpose other than performing its obligations under this Agreement. Contractor further acknowledges that by providing proprietary information or confidential information, the City is not granting to Contractor any right or license to use such information except as provided in this Agreement. Contractor further agrees not to disclose or distribute to any other party, in whole or in part, the proprietary information or confidential information without written authorization from the City and will immediately notify the City if any proprietary information or
confidential information is requested from Contractor from a third party.

2. Contractor agrees, with respect to the proprietary information and confidential information, that: (A) Contractor will not copy, recreate, reverse engineer or decompile such data, in whole or in part, unless authorized in writing by the City; (B) Contractor will retain no copies, recreations, compilations, or decompilations, in whole or in part, of such data; and (C) Contractor will, upon the expiration or earlier termination of this Agreement, at the City’s election, either destroy (and, in writing, certify destruction) or return all such data or work products incorporating such data or information to the City.

This includes, without limitation, industry accepted firewalls, up-to-date anti-virus software, controlled access to the physical location of the hardware itself.

4. Contractor will inform its employees and officers of the obligations under this Agreement, and all requirements and obligations of Contractor under this Agreement shall survive the expiration or earlier termination of this Agreement.
