

Need Help Navigating Veteran Services in Colorado?

Explore programs that offer housing assistance, mental health care, employment support, and more for veterans and their families.

Organizations that serve active military members and veterans offer a wide range of supports designed to help these individuals maintain stability and thrive after military service. These services include health care, mental health support, housing assistance, education and employment resources, and benefits navigation.

Below are several local and national resources available to veterans across Colorado, including programs in the Denver Metro area and El Paso County. This list is not comprehensive and additional veteran resources can be found online or through your local VA office.

RMHS
Rocky Mountain Human Services

Rocky Mountain Human Services (RMHS) is proud to support Colorado veterans through the Homes for All Veterans (HAV) program. HAV helps veterans who are experiencing or at risk of homelessness find and maintain stable housing, access financial and community resources, and build a foundation for long-term well-being.

If you or someone you know is a veteran in need of housing support, contact the Homes for All Veterans team at HAVreferrals@rmhumanservices.org or call (855) 838-7428 to get connected with support today.
