

OBTAIN THE PROFESSIONAL MEDICAL INFORMATION PAGE (PMIP)

This form confirms that you or your child needs Long Term Services and Supports. Your primary care physician or licensed medical professional can sign and authorize it.

This guide will walk you through the steps to fill out the PMIP.

HOW TO COMPLETE THE PMIP

If you complete the PMIP before your intake assessment, it speeds up the enrollment process.

1 Print the PMIP form

[Click here to download and print the PMIP form](#)

2 Fill Out the PMIP Form

Complete the form to the best of your ability prior to asking your medical provider to review and sign.

3 Have a licensed medical provider sign and date the PMIP

Licensed medical providers can be a physician, physician assistant, or nurse with a Colorado medical license.

4 Make multiple copies for your files

Make multiple copies of the signed form for your files because it can also be included with:

- State disability application
- SSI Application
- I/DD Determination Application

Have the **signed PMIP** ready for your RMHS intake assessment appointment
