 Possibilities Playground is a lively, fully accessible space featuring a tactile sensory wall, adaptive swings and spinners, and a 50-foot accessible zip line, providing fun and excitement for visitors of all abilities.

RMHS 2026 Summer Resource Guide

Parks, Playgrounds & Outdoor Spaces

General Playgrounds and Parks

Johnson-Habitat Park

 Denver

 Previously a landfill site, this park has been transformed into an innovative recreation space featuring a signature concrete platform, a stone amphitheater, an outdoor classroom, climbing platforms, and a fire pit along the river's edge.

Swansea Park

 Denver

 Designed with input from local elementary students, Swansea Park has a playground made for children to truly enjoy with features like a playhouse, slides, and even a zip line.

Ralston-Central Park & Splash Pad

 Arvada

 Ralston-Central Park features scenic walking paths and two playgrounds for different age groups with climbing structures, slides, swings, and a popular zip line, all set on rubber safety surfacing. In the summer, the splash pad and spray park open daily.

Quail Crossing Park

 Westminster

 For any future astronauts, a visit to Quail Crossing Park is a must! This small neighborhood playground is packed with fun features, including a three-story space-themed slide and a mission control play pad that sparks imaginative play.

RMHS 2026 Summer Resource Guide

Parks, Playgrounds & Outdoor Spaces

General Playgrounds and Parks

John Venezia Community Park

 Colorado Springs

 This park is ranch-themed. It features a spinning evergreen tree with rope climbing elements, tennis courts, and a large turf soccer field with multiple playing areas.

Palmer Park

 Colorado Springs

 With a variety of play opportunities along with a playground, hiking trails, and a scenic drive overlooking the city of Colorado Springs, this is a fun destination for both outdoor adventure and active play.

RMHS 2026 Summer Resource Guide
